HC3S are the Catering Service Provider for your School

With a full range of products on offer from a full two course lunch, to freshly prepared deli items, to healthy snacks that can be eaten on the go. HC3S are the first choice for school catering in Hampshire.

Services on offer include;

Breakfast – To get the day started

Early Lunch – Banish those mid-morning hunger pangs

Late Lunch – More substantial, re fuel and be ready for the rest of the school day

After School Club – Keeps you going until you reach home.

(Not all services are available in all schools – check with your school for availability)

Our menu is updated twice yearly and is designed to make the best use of locally sourced seasonal products.

See menu for our current late lunch specials menu

Promotions and theme days are regularly offered to compliment Local and National events, and are also planned to link in with current curriculum topics in individual schools.

Our recent Football World Cup competition was very popular. Three lucky pupils per school were awarded a Pizza Party for themselves and five friends for guessing how many goals would be scored during the tournament.

We are currently looking at ways to reward our customers. During the month of March HC3S will be giving away iTunes vouchers to the winners of a special competition. The requirement for entry is to simply make a purchase….so come and give us a try …you will be pleased to find the range of fresh food choices available to you.
